

Star Academy

Class 6 – Holidays Homework 2021 onwards

Islamiyat:

Memorize the following Surahs by heart

- Surah Al-Inshirah
- Surah Al-Qadr
- Surah Al-Teen

Chapters 1 and 2: Learn and write all questions and answers and complete all the exercises.

English:

Units 1-8, 10 complete with exercises

The student should study these units thoroughly and must consult a dictionary for the words they find difficult to understand. Please arrange a separate notebook dedicated to new words called "My Word Bank" and have them note down the new words they learn and their meanings and encourage them to use those words in everyday life.

Letters:

- Write to your sister to congratulate her on her success.
- Write a letter to your school's principal regarding your midterm exams.
- To your friend inviting him to spend the holidays with you.

Essays: Please write an essay on each of the topics below. Your essay should be about 100 words each:

- The Star Academy/Twinkle Star Academy.
- Sports facilities in Rabwah
- Education problems related to load shedding

Daily diary: Every student is supposed to write a daily diary about how they spend their day.

World News: Every student is supposed to keep up with current events by watching BBC and through other mediums to help enhance their knowledge and English. They should watch at least half an hour each

Star Academy

Class 6 – Holidays Homework 2021 onwards

day.

Note: Please make sure that all your work is in legible, neat writing and is compiled in order.

Tenses

Write at least 15 sentences in present and past indefinite tenses

Mathematics:

Units 1 to 10 and 11 complete with all the exercises.

Science:

Units: 1-3 and 6

Write all questions and answers from these units

Special Projects:

Make a model of the human blood circulatory system, pointing out important parts, pathways and organs. Do online research and find out interesting facts about how the circulatory system helps stay alive.

Make an assignment file on following diseases and also gives steps on the precautions that can be taken to avoid them.

- Heart diseases
- Lung diseases
- Stomach diseases

Note to parents: While the child does online research, it is essential that an adult supervises them. The internet is a very good place for study and research purposes but can also be dangerous if not properly used.

Social Studies:

Study the following chapters in detail:

1-7, 16-18 and 27.

Attempt all questions from the units and make 10 MCQs of each lesson.

Special Projects: Make a booklet about the following and describe the history of these great cities:
