Itsy Bitsy Spider

Itsy bitsy spider went up the water spout
Down came the rain
And washed the spider out
Out came the sun and dried up all the rain
And the itsy bitsy spider went up the spout again
The teeny tiny spider went up the water spout
Down came the rain
And washed the spider out
Out came the sun and dried up all the rain
And the teeny tiny spider went up the spout again
The big humongous spider went up the water spout
Down came the rain
And washed the spider out

Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!

When the blazing sun is gone,
When there's nothing he shines upon,
Then you show your little light,
Twinkle, twinkle, through the night.
Twinkle, twinkle, little star,
How I wonder what you are!

Down in the Jungle

Down in the jungle where nobody goes
There's a great big gorilla washing his clothes

Boom boodie, boom boodie, boogie woogie boo!
Boom boodie, boom boodie, boogie woogie boo!

That's the way he washes his clothes
Down in the jungle where nobody goes
There's a slithery snake washing his clothes
With a rub-a-dub here and a rub-a-dub there
This is the way he washes his clothes
